## Seizing opportunities in any market.

Mutual funds are not guaranteed, their values change frequently and past performance is not an indication of future performance. Comparisons to indices and other benchmarks are inherently unreliable indicators of future performance. Value Added Monthly Index as at \$1000 invested for Front Street Special Opportunities Canadian Fund vs. the S&P/TSX Composite Index vs. Index of Equity Funds Offered by Canada's Banks. \*The Canadian Bank Equity Fund Index is an equal weighted average of BMO Canadian Equity Fund, CIBC Canadian Equity Fund, RBC Canadian Equity Fund, TD Canadian Equity Fund, and National Bank Equity Fund.
